Membership ends each year on December 31, regardless of the date a membership application is received. All membership benefits begin on the day of receipt at AMA Headquarters of a properly completed application and correct dues payment. Applications received after September 15 will be valid for the remainder of that year and all of the following year. If a magazine is included with the membership, it begins with the first issue available for the year after a correct current application and payment are received; it expires with the issue printed in December (which is dated January of the following year). Membership rates and insurance limits are those in effect at the time of printing. Actual cost of dues and amount of insurance coverage is subject to change. Any such changes will be noted at the time of membership processing so they may be accepted or not.
