AMA Charter 1972

Continuing Resolution

At a meeting duly called for such purpose on April 1, 2009, and in accordance with Article X, Section Eight, the following was affirmed and passed.

PARKING AT HALL FIELD

To be in compliance with the Corps of Engineers directives, parking beyond the main gate is NOT permitted except for the following exceptions:

1. On the gravel driveway and turn around for model and equipment loading and unloading only
2. Disabled parking is available in the designated area near the hangar. Disability license plate or window sticker required
