HAY BRANCH ELEMENTARY TECHNOLOGY CAREER DAY

8 May 2009

CEN-TEX Modelers Inc participated in the Technology Career Day held at Hay Branch Elementary School on 8 May 2009. The event was enjoyed by all classes, which consisted on 1st grade through 5 grade students. The event was headed up by Larry White with the following members in attendance: Ray Chapman, Leroy Jones, Hubert Dirr, Bob Hass, John Pratt, Paul Larue, Butch Spradling, Jim Rolleston, Lynn Kelch, Lee Mitchell and Terrance Williams. A DVD was shown showing some RC planes in flight, an explanation was given by Ray Chapman and John Pratt on RC equipment and how it made a plane work. Bob Hass explained how a control line model worked. An indoor demonstration of a RC helicopter was given by Lee Mitchell and his son, then an out door demonstration was given by Terrance Williams of a electric plane. Breakfast snacks and lunch was served by the school staff. The following are pictures of the event.

CLUB CHRISTMAS PARTY - DECEMBER 2009

The Club's Christmas party was held at the Golden Corral on Friday 11 Dec 09 We had 28 people there, including guests. The club treated all club member and their guests for dinner. The food was excellent and there was plenty to choose from. Everybody had a good time.

After everyone had a good dinner, but still nibbling on the dessert, our club president Lynn Kelch welcomed everyone and wished them a good time here. He then passed out the tickets for the door prize. See Pictures below. Paul LaRue got both prizes.

The evening ended with Lynn wishing everyone "Happy Holidays". Below are some pictures from the Party.

CTM First Electric Fun Fly June 2010

Our first Electric Fun Fly. With all the Fun Jets and Strykers in the air at the same time it sounded like a swarm of bees.

Looking down the line.

We had some pilots from local clubs show up with some nice aircraft.

KILLEEN MALL SHOW – 11 SEPTEMBER 2010

The annual Killeen Mall Show was held on 11 September 2010 in the center of the mall. The Mall folks gave us a bigger location, with the hope more interest will be generated by the general public. This year's event was headed by Hubert Durr and was a great success. Again, Sears allowed us to use a large screen TV for use of the flight simulator software. Below are pictures reflecting the aircraft on display and club members that supported the event. Members that attended are: Hubert Durr, Paul Larue, Charles Culver, Bob Haas, Donald Alexander, James Franklin, Terrance Williams, Butch Spradling, Lee Mitchell, John Pratt, Willie Mooreman, Larry Masullo, Richard Chambless, Larry Johnson, Bill Stone and Jim Rolleston.

KIDS WORLD KILLEEN MALL – OCTOBER 2010

2010, the Cen-Tex Modelers participated on an event - Kids World - for children 3-11 years old at the Killeen Mall. The theme was -World of Flight-. Thanks go to Lee Mitchell, who volunteered to come, and help children make little airplanes out of Styrofoam, provided by the mall. Lee also demonstrated with his small helicopter several flights, which was a big "wow" for, which was a big "wow" for all the kids. The mall also gave all the kids a back pack for their participation in the event. Thanks Lee. Below are a few pictures of the event.

DUNCAN SCHOOL PRESENTATION – NOVEMBER 2010

A number of representatives of the club, Leroy Jones, Terrance Williams and Willie Moorman, gave a presentation on the principals of flight at the Duncan School located on Fort Hood. The club has done this in the past for this school and is really appreciated by the school staff and the students. The teachers flew pretty well too. We would like to thank Duncan for inviting us out.

Leroy Jones at Duncan Elementary School to talk about RC planes and the Real flight 5.5 simulator on Nov. 12, 2010.

The Kids had a great time learning about the hobby and some showed good promise in becoming future RC pilots.

Terrance Williams showing a young lady how the radio controls work.

Willie Moorman explaining flight maneuvers while the children watch on the flight simulator.

Examples on display for the Students.

ALL SCALE FLY IN – 8 OCTOBER 2011

The club's annual All Scale Fly In was held on 8 Oct 2011; however, due to inclement weather, high winds and threat of rain, the event was turned into a club fun fly. Considering the flying conditions, over 20 individuals attended. A good time was enjoyed by all that attended. Douglas Staines, Associate Vice President District VIII attended and presented Lee Mitchell with a Commendation for service to AMA. Below are some pictures of the event.
