PRESIDENT'S CORNER

Well another month gone got in a little flying in despite the heat. Ha Ha Hope to see you all at the next meeting I will be presenting a continuing resolution concerning taxing from the pits to the flight line. So come and lets talk about it can't be done with out input. Good luck to the crazy guys trying to fly at night. I have had enough trouble hitting the runway in day light I probably couldn't find in the dark. I will be there in support and rooting for you night flyers. See you all at the field keep em flying.

Safety Report... Lee Mitchell

The season is starting to heat up.

Members should be prepared to go to the field. Items you should remember:

Shoes: Many hazards out there that you need to be aware of scorpions, fire ants, and snakes.

Hat and Sun Glasses: It's hot and the sun is bright. Don't lose that plane in the sun.

Sun Screen: Don't burn out there.

Water: Bring lots to drink and share with the other unprepared members.

Scorpions: They are everywhere look before you pick something up.

New Business

1. President opened the floor for old business.
2. The President talked about the field upkeep and made the following points.
 - a. The grass still needs to be mowed regularly.
 - b. The FPV fliers area needs some attention and clean up.
 - c. We need to make the Corps happy and keep our area clean as possible.
3. Daniel Santos recommended that the club look at putting in power at the field. He said that he wanted to talk to the lake official and see if this was possible.
 - a. Old paperwork was presented from 2006 that the Corps had already approved the project. It was tabled at the time because of funds and not enough fliers wanted to do it.
4. The President brought forward the discussion about National AMA Aviation day.
 - a. After discussion a motion was made Wade/ Santos. It was decided to host the event 12 Aug which falls on a Saturday.

Old Business

1. President opened the floor for old business.
2. Lee gave a report regarding the Corps lease.
 - a. We do not know as of yet how much it will cost the club. The area of the lease has been reduced due to not needing the water right of way.
 - b. The club has a need to be proactive as in the past the lease has been done late in the past due to problems with the CofE.
3. President asked the members to watch for the grass and make sure it gets mowed in a timely fashion.

Motion to adjourn

1. The president called for a motion to adjourn the meeting.
 - a. H. Dirr made a motion to adjourn and W. Stone seconded.
 - b. The motion was unanimously approved to adjourn.
