July 9, 2022 Swap meet and fly in  
Sept. 10 war bird

*Contest Directors requested*

### President's Corner

Flying season is upon us once again. Safety is first priority, try to fly with a buddy, spotters when flying are nice, and drink lots of water, it is hot outside.

We had one event so far this year, and total brought in from registration and raffle exceeded the cost of the prizes, so we did good.

Next even is June 11, plan to attend and help if you dont fly.

**Time to find.....**

**Someone to take over writing the newsletter, I've got too much other stuff going on to do it right.**

**It's a powerpoint, exported as pdf, copy and paste over previous Issue, not difficult.**

**IF nobody takes over, newsletter will become a meeting reminder**

Meeting for April was held at the field

**Meeting** called to order at 12:30 pm by Jim Hillin

**Members present:** Jim Hillin-secretary, and whoever was there, because Doug wasnt there and had no clue who was there.

**Old Business:** Old John Deere mower has been fixed, new spindles and belt, sharpened blade, runs like a champ once again..

**Club Trainers:** Both up and running again

**Field Maintenance:** Mowing and weed eating will start again in the spring.

**Treasurer Report;**\$7980.00 or more, we had dues collected.

**Committee Reports:** Posts were made on facebook and neighborhood pages to advertise the big bird. It worked.

**New Business:**

Mentioned events for next year, from other clubs in the area.

**Announcements:**

Meeting adjourned at 1 pm

# CRASH OF THE MONTH

Probably some giant red bird again, took the fuselage this time.. sorry Jim.

# Current Projects

Doug was building a Corsair, err, assembling it. There were 2 screws to install, then plug in a receiver.. a total of 4 minutes to complete, then another 20 to program the radio

Carlos... wear your Brown pants saturday.

# For sale

Jim has a complete set of robart retracts for 30cc size planes.  
They will probably fit a 60cc bird. \$250.00
