

# Fundraising Festival

October 21, 2017

Puerto Rico

Mexico

**We are a Remote Controlled (RC) flying club located in Central Texas. Come on out to the field and join us. Whether you are a experienced pilot or brand new, you are welcome at Hall Field.**

**We provide free training to new pilots and have plenty of "advice" to help you get started.**

**The Cen-Tex Modelers were organized in 1972, and is now a nonprofit incorporated club under the laws of the State of Texas. The organization is chartered with the Academy of Model Aeronautics (AMA).**

**Cen-Tex Modelers, Inc.**
